Gilbert Venero, Co-Chairman
10470 Taft Street
Pembroke Pines, FL 33026

Dear Mr. Venero;

It was fantastic to here from you regarding the Florida Sport Karate League. I am always excited to here of new developments in the grass roots karate movement across the United States. Through the years, Florida has proven to be a region that has demonstrated technical excellence in both developmental and elite athlete programs. I'm pleased to be informed that one of your main goals is to support the USA National Karate-do Federation in its role as the National Governing Body.

It is my understanding that the FSKL wishes to form a Regional Sports Organization (RSO). I'm sure that you have reviewed the various requirements for RSO status and are aware of the responsibilities that come with that status. With that understanding, it is my pleasure to grant the FSKL with RSO status for the USA-NKF. I look forward to working with you and your colleagues for the future development of Karate-do not only in the Florida region, but in the entire United States as well.

I am sure that the FSKL will set a new standard that all USA-NKF RSO's can strive to maintain. If you require any assistance from me, or the National Office, please do not hesitate to contact me.

Sincerely,
